1. Introduction

WAIS Rowing scholarships will be offered to eligible athletes under one of the following two programs;

- a) "Rowing Sport Program" scholarships
- b) "Individual Athlete Support Program (IASP)" as per the IASP guidelines and IASP selection criteria.

The Goals of WAIS athletes' scholarships are to support enhanced athlete performance with the aim to:

- 1) Maximise the WA contribution to Australian podium performances and
- 2) Maximise WA representation on National teams at selected international competitions.

The WAIS Rowing Program is a three-way partnership between Rowing Australia (RA), Rowing Western Australian (RWA) and WAIS to support the agreed National Elite Athlete Pathway and has the following overall objectives:-

The key role that WAIS performs in the Rowing Australia National Program pathway is:

- Develop and prepare identified athletes for national and international success in line with the program structure in Western Australia
- Facilitate the delivery of an effective elite program for athletes and coaches in conjunction with RWA and targeted clubs that links to the requirements of the National Program
- Support the Daily Training Environment for the preparation of Nationally Identified Emerging International Athletes to Developing International level athletes to achieve their goals as prescribed in their agreed Individual Athlete Performance Enhancement Plans.
- Enhance the WA underpinning programs through athlete development and coach education initiatives.

The WAIS Rowing Program Selection Guidelines, Criteria and Process will be ratified by the Performance Planning and Monitoring Group (PPMG) of representatives from WAIS, Rowing Australia and Rowing Western Australia.

2. Selection Process

2.1 Scholarship Timeframe

Athlete scholarships are from 1 October to 30 September, unless otherwise agreed by the program partners. Athletes will be provided a schedule of the key review dates for the scholarship year.

The WAIS Head Coach will present all athlete scholarship recommendations to the selection panel against the athlete categorisation criteria and selection criteria (WAIS athlete Key Result Areas: as defined in the WAIS Athlete Performance Management Framework) for all nominated athletes.

The selection panel will evaluate and confirm scholarship recommendations based on the WAIS Head Coach Recommendations report and in discussion with the Head Coach. They may also consider any other information relevant to evaluation of an athlete against the selection criteria.

The Chair, on behalf of the panel will recommend scholarship offers to the WAIS Chief Executive Officer for approval.

Athletes may be nominated for Training Agreement consideration through any member of the selection panel. Training Agreements are approved by the Performance Team Director.
