1. Introduction

This Code of Conduct sets out guidelines for the behavior of WAIS employees and contractors of the Western Australian Institute of Sport (WAIS). Staff and Contractors employed by WAIS are expected to comply with the guidelines, and WAIS policies and procedures relevant to this code in carrying out their duties.

The Code is a general guide to what is considered acceptable behaviour and does not attempt to definitively set out the circumstances in which any departure from the Code will be considered to be misconduct. The Code of Conduct does not attempt to deal comprehensively with every situation which may arise in the course of an employee's employment and the fact that a matter is not specifically mentioned should not be taken to mean that it is to be regarded as acceptable behaviour.

WAIS employees represent WAIS at all times, in all tasks and therefore must avoid all conduct which detracts from their profession and the organization's reputation.

Staff contractors and consultants must acknowledge they are in significant positions of power and authority in relation to athletes they assist. Therefore, the highest standards of professional and personal integrity must be defined and maintained to ensure this position is not inappropriately used to influence athlete decisions and or actions.

The effectiveness of the WAIS Code of Conduct relies on staff taking responsibility for their own behaviour and being committed to the standards inherent in this document. Staff should be familiar with the substance and spirit of the Code and should be aware that breaches may result in sanctions which may include counselling, disciplinary action, performance review, or civil or criminal action, depending on the nature of the breach.

2. General Principles

2.1 Responsibility

Employees are personally responsible for ensuring all decisions and actions they take are compliant with WAIS policy and process. They are expected to be aware of the reasonably foreseeable consequence of their actions and to make every effort to ensure that they work in an appropriate manner which has utmost regard for the highest standards of their profession.

2.2 Competence

Employees bring appropriate skills and competencies to their areas of workplace practice and are expected to maintain and continue to develop those skills and competencies through an ongoing program of professional development and continuous improvement. Employees are expected to recognize and work within the limits of their competence.

2.3 Propriety

Employees must refrain from any act which could reasonably be regarded as tending to bring WAIS into disrepute.

2.4 Integrity

Employees are expected to be honest, sincere and honourable in their relationships with others with whom they interact in the course of their professional duties.

3. Code of Conduct

3.1 Health, Safety & Welfare

The health, safety and welfare of staff and athletes will be respected by all WAIS employees: All staff have a duty of care to ensure that any employee or athlete under their control are provided with a safe environment without risk to their health.

3.2 Respect

The rights, dignity and worth of every person with whom they have contact will be respected by the employee by;

3.2.1 Treating every person equally regardless of sex, race, age, religion, ethnic background, sexual orientation, personal relationship or any other individual characteristic;

3.2.2 Refraining from any conduct which could be regarded as sexual harassment,

3.2.3 Avoiding physical, verbal and emotional abuse of colleagues and athletes;

3.2.4 Taking all reasonable steps to eliminate any forms of abuse directed at colleagues and athletes from other sources; and

3.2.5 Avoiding any circumstance or action that could be interpreted as endangering another person's well-being.

3.3 Individuality

Each staff member and athlete will be treated as an individual by WAIS employees:

- 3.3.1 All staff and athletes are treated in a fair manner and receive an appropriate level of attention and opportunity.
- 3.3.2 Individual needs of staff relating to work environment, professional development requirements and resources are considered.

3.4 Behaviour

The employee will behave in a manner such as to uphold their status and the reputation of WAIS, their sport and their country by:

- 3.4.1 Maintaining high personal behavioural standards in relation to their language, manner, punctuality, preparation and presentation;
 - 3.4.1.1 Strictly adhering to standards employed by WAIS, referred to in the WAIS Human Resources Manual, including but not limited to Equal Opportunity, Sexual Harassment and Discrimination.
 - 3.4.1.2 Not engaging in physical contact with athletes or colleagues except where absolutely necessary for the development of the individual or ability.
 - 3.4.1.3 Refraining from initiating inappropriate intimacy or a relationship with an athlete and discourage any attempt by an athlete to initiate inappropriate intimacy or a sexual relationship with you.
 - 3.4.1.4 Avoid unaccompanied and unobserved one on one activity with athletes under the age of 18 years.
 - 3.4.1.5 Displaying respect towards employees and stakeholders
- 3.4.2 Maintaining an appropriately high level of professional knowledge by seeking continual improvement through ongoing education and professional development;
- 3.4.3 While WAIS employees must observe the terms and conditions of their employment, staff cannot be required to be complicit in any illegal act. If advised, instructed or encouraged to engage in unlawful activity, they must decline, and report the matter to a line manager.

3.5 Professional Relationship

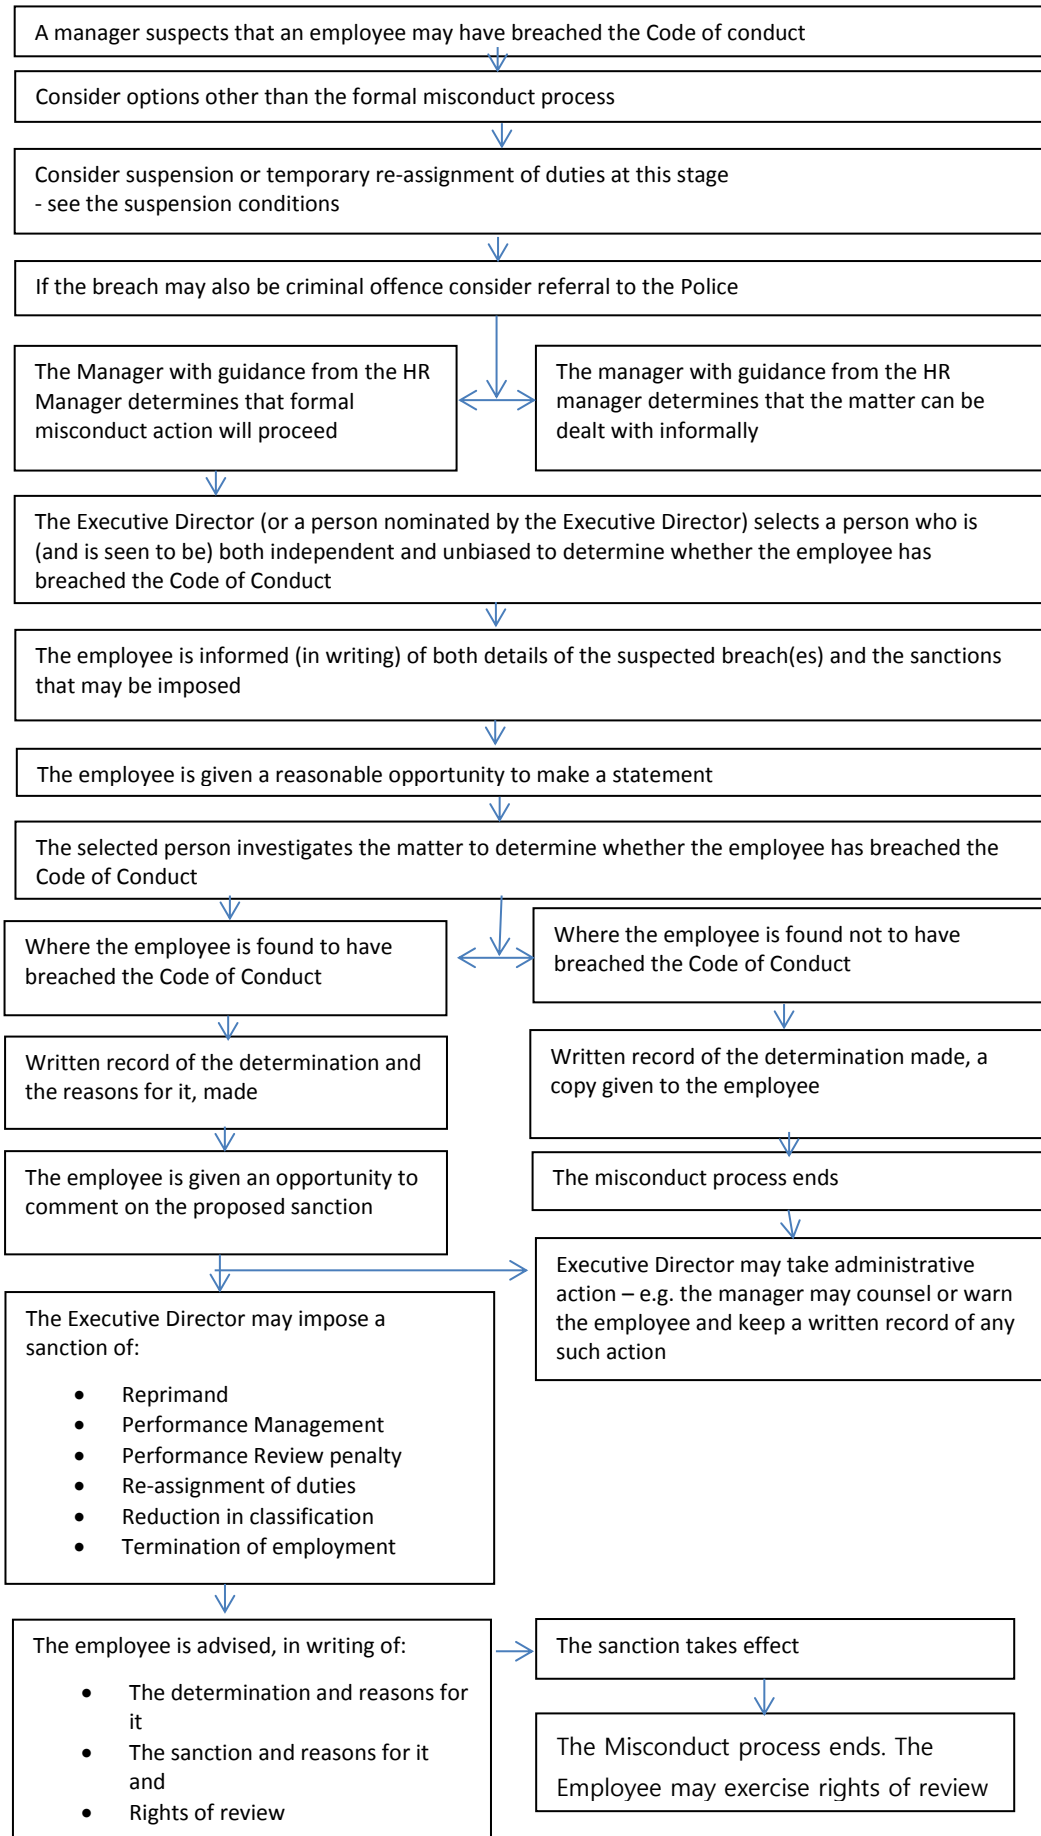

A professional relationship will be maintained with colleagues and athletes by the WAIS staff by;

- 3.5.1 Establishing personal boundaries whereby athletes are clear that the nature of the relationship between employee and athlete is purely professional one;
- 3.5.2 Refraining from engaging in social situations or using written communication in such a way which may lead the athlete or colleague to misinterpret the employees' intent with regards to the nature of the relationship;
- 3.5.3 Limiting communications through written, electronic, telephone, MSN, and social networking sites, to those which are considered necessary to conduct their duties as a WAIS employee so as to clearly maintain the professional nature of the relationship;
- 3.5.4 Declaring to WAIS any personal monetary or "in kind" gains as a direct result of their relationship with a colleague or athlete which may impact the professional relationship with a colleague or athlete

3.6 Confidentiality

The confidentiality of WAIS business, employee or athlete information is to be maintained at all times. The WAIS Confidentiality policy and WAIS Privacy policy is to be adhered to in all matters relating to WAIS business and employee and athlete information.

4. Process for Investigating Complaints

5. Suspension of Employment Guidelines

- 5.1 An Employee may be suspended, with or without remuneration, where the Executive Director believes on reasonable grounds that the employee had, or may have, breached the Code, and where the suspension is in public interest, of the interests of WAIS.
- 5.2 Where the suspension is without remuneration, the maximum period is generally to be no more than 30 days. A longer period of suspension without remuneration is permitted only where there are exceptional circumstances.
- 5.3 Exceptional circumstances are not defined but could include;
 - 5.3.1 Where an employee has been charged with a criminal offence and is waiting to have the charge heard or determined
 - 5.3.2 Where an employee has appealed against a conviction and is waiting to have the appeal heard
- 5.4 Continuing suspension must be reviewed at reasonable intervals
- 5.5 Suspension must immediately end when the Executive Director no longer believes on reasonable grounds that the employee has, or may have breached the code, or that it is in public or WAIS interest to continue the suspension. In addition, suspension must cease as soon as any sanction is imposed for the relevant breach of the Code.
- 5.6 In exercising suspension powers, the Executive Director must have due regard to procedural fairness, unless on reasonable grounds they believe it would not be appropriate to do so in the particular circumstances, for example, where there is a serious threat to the safety and integrity of other employees and WAIS property.
