

WAIS RESEARCH PROPOSAL FORM

Please keep this proposal to a maximum of six pages including any attachments.

Study Title

Provide a brief, succinct title for this research

Primary Investigator Details

Title: _____ Name: _____

Organisation: _____

Phone number: _____

Email: _____

Research Team Members

Name, institution and email address of each research team member

1. _____

2. _____

3. _____

4. _____

Study Overview (200 words maximum)

Provide a brief synopsis of the study

Aims of the Study

State the specific aims of the research in bullet points using plain language

Performance Barrier to be addressed

*Detail the WAIS-identified performance barriers this research addresses.
How does this research align with WAIS' strategic research priorities?*

Impact Statement (150 words maximum)

Provide a compelling statement of the impact that this study will have.

Background Review and Justification (attach 1 page maximum)

Detail the relevant literature and use this to justify the study.

Detailed Research Methods (attach 3 pages maximum)

Please address the following headings:

- Participants (sample size justification)
- Ethics Approval / process
- Experimental Overview and Design
- Experimental Procedures
- Statistical Analyses

Study Deliverables and Measures of Success

Deliverable	Measure of Success	Delivery date

Timeline of Activity

Provide an estimated timeline of significant milestones in bullet points

Budget

Please provide a detailed budget. Include all sources of funding and expected contributions.

Signature
